What is the proudest moment of your time at The Malvern School?

My proudest moments were watching each of my children, now ages 15 and 12, graduate from The Malvern School. I knew from their first day through their last, they were given love, knowledge and many skills that would carry them to success in their future.

What do you like most about our program or what do you think sets us apart?

Our qualified, educated, degreed, loving staff sets us apart. The teacher's ability to be creative, fun and keep it fresh and engaging on a daily basis is what our program is founded on and its simply the best.

What do you enjoy in your free time?

I love watching my kids play various sports, hanging with family and friends or being at the beach is a true favorite.

Any unique or fun facts about yourself?

I travel to Mexico yearly and enjoy spending as much time at the beach as possible!

What is your favorite children's book?
