### **What is the proudest moment of your time at The Malvern School?**

*When I see all the hard work put in for Alex's fundraiser. I love helping to raise funds to help Alex's Lemonade stand. My favorite was when we gave Mrs. Scott the check from our schools. I also love each year when I see all our great kids in Pre-K graduate. They work so hard all year and it makes me so proud!*

### **What do you like most about our program or what do you think sets us apart?**

*I have always liked how our program focuses on preparing children on all skills needed for school. We focus on the entire child. Learning and social skills which is why I brought my daughter here before I worked here.*
