What is the proudest moment of your time at The Malvern School?

When a parent or child tells me I made an impact on them and made a difference in their life.

What do you like most about our program or what do you think sets us apart?

What sets us apart is our NAEYC accreditation and that we offer a wide variety of curriculum other schools do not (theme, author, computers, fine motor skills, science, self-help, art, music, etc.).

What do you enjoy in your free time?

I enjoy going to church, spending time with family, watching baseball/football games, and watching Nascar racing.

Any unique or fun facts about yourself?

I am trust worthy, honest, dependable, and can find humor in things that others may not!

What is your favorite children's book?

Goldilocks and the Three Bears by Robert Southey
