

FOR EARLY CHILDHOOD EDUCATION

Jasmin Reahm

Assistant Teacher

The Malvern School of Richboro

Since 2006

What is the proudest moment of your time at The Malvern School?

My proudest moment is when I run into children and families outside of school and they tell me I'm still one of their favorite teachers. It's amazing to have them remember me after many years!!

What do you like most about our program or what do you think sets us apart?

I love our program because it allows children to be creative as they learn! I also love that we as teachers get to participate in fun activities and events with the children and their families!!

What do you enjoy in your free time?

I love having "Family and Friends Game Night" at my home. I love playing fun trivia games and laughing with family and friends. Laughter is my favorite sound!

Any unique or fun facts about yourself?

My misled name is Milagros which means miracle in Spanish. My mother named me that because I was born two months early and she was told I wouldn't make it. Little did they know God had other plans because I was perfectly healthy and survived.

What is your favorite children's book?

On the Night You Were Born by Nancy Tillman
