What is the proudest moment of your time at The Malvern School?

My proudest moment at The Malvern School was in 2010 when The Malvern School of Lionville became the 7th NAEYC Accredited school under my leadership and guidance. The teachers worked extremely hard and it was well deserved.

What do you like most about our program or what do you think sets us apart?

The Specialty Rooms are definitely something that sets us apart from other schools. The children have the opportunity daily to explore freely with a variety of materials that are different from their classroom.

What do you enjoy in your free time?

I like spending time at the beach with my family.

Any unique or fun facts about yourself?

I once answered a question on the radio about a movie quote from the Lion King and won a prize.

What is your favorite children's book?

The Poky Little Puppy by Janette Sebring Lowrey
