What is the proudest moment of your time at The Malvern School?

Every year at the end of the school year watching our Pre-K kids graduate. Getting to see them grow through-out the year and seeing how proud they are on graduation day and excited to begin Kindergarten.

What do you like most about our program or what do you think sets us apart?

I like how the children get to choose the different centers to explore. Whether it is the science center, getting messy at the sensory table, building towers with blocks or writing cards for family. The children are always engaged in activities that they are interested in and that helps them learn.

What do you enjoy in your free time?

Reading, camping, going to concerts, and being with family and friends.

Any unique or fun facts about yourself?

I am a huge Harry Potter fan!!

What is your favorite children's book?

The Day the Crayons Quit by Drew Daywalt
