What is the proudest moment of your time at The Malvern School?

My proudest moment is raising money for Alex's Lemonade Stand. This year my coworkers and I went above and beyond to host fundraisers and family events to reach our goal of money earned.

What do you like most about our program or what do you think sets us apart?

I love the open door policy. We have many events that families can attend and help the children learn and grow. One of my favorites is career day.

What do you enjoy in your free time?

In my free time I like to read. I also love spending summer weekends down the shore with my family.

Any unique or fun facts about yourself?

My favorite animal is a frog. I collect all sorts of frog figurines. You can find them all throughout my house.

What is your favorite children's book?

The Very Hungry Caterpillar by Eric Carle
