

**FOR EARLY CHILDHOOD EDUCATION**

*Leslie Fuller*

**Business Operations Manager**

**Executive Office**

**Since 2003**

### **What is the proudest moment of your time at The Malvern School?**

*Personally, my proudest moment would have been to see all three of my children graduate from The Malvern School of Glen Mills full day Kindergarten program. Professionally, it would be succeeding in my role as Executive Director and receiving NAEYC accreditation in 2005.*

### **What do you like most about our program or what do you think sets us apart?**

*I have always been a dedicated cheerleader about The Malvern School and its high quality program and commitment to children. I think every bit of our program sets us apart from our competition. The fact that we are continuing to grow, change and develop our program so it remains such a high caliber program and continues to meet best practice for children.*

### **What do you enjoy in your free time?**

*I love the beach and I enjoy traveling to both the Jersey Shore and the Delaware Beaches in the summers with my children, as well as traveling to the Caribbean with my good friend for a nice long weekend. I like to sit outside reading a book while my children play. I enjoy spending time with my immediate and extended family every summer in our family cottage in Canada. I enjoy relaxing weekend evenings with my neighbors and friends, with the children out back playing, while we relax with a glass of wine.*

### **Any unique or fun facts about yourself?**

*My family has been traveling to the same area (Little Long Lake in Port Loring, Ontario) since my grandfather was a child. He did the same with his children. My parents did the same with my brother and I. My grandparents bought a cottage back in 1987 and I am now doing the same with my children each year.*

### **What is your favorite children's book?**

*Are You My Mother by P.D. Eastman*
